

Great and Little Fransham Village Community Help Group

Coronavirus

In the light of strong government advice and in the interests of people in our community we have a plan in place to assist the elderly and vulnerable in our Village in whatever way possible.

A group of volunteers will provide a network and be able to assist with:

- Picking up shopping
- Posting mail
- Collecting prescriptions
- Assisting with pet care
- A friendly phone call
- Any other urgent needs

The Primary contacts are **Richard Watts 01362 681917** and **Emma Spratt 01362 687791**.

The intention is that we have a buddy system, this will enable you to have a regular contact so that your needs will be met wherever possible. This will also ensure you know who is going to help you and when to expect them.

Anyone wishing to register as a **Volunteer** please contact **Richard on 01362 681917**.

If you need help, or think you might need help in the future, please contact the numbers above.

Please leave voicemail messages if no one picks up the telephone, saying your name and your contact number and we will get back to you as soon as possible.

This is a Village wide initiative for the benefit and well-being of all residents.

A reminder of our website, www.franshampc.info

Coronavirus is contagious.

Wash your hands regularly.

Avoid physical contact - 2m distance.

Items should be left on doorsteps.
